Christopher Roth, Chief Fire Marshal, Town of Brighton

### **GUESTS**

Councilmember Christine Corrado  
Councilmember Robin Wilt  
Phil Williamson

**COMMUNICATIONS:**

**OPEN FORUM:**

Phil Williamson addressed the committee and following up from a previous meeting where he is requesting a stop sign at Mayflower Drive @ Oakdale Lane entering from Highland Avenue.

This is a unique intersection and discussion about traffic calming measures, enforcement concluding that the Town Board could take action to reduce the neighborhood speed limit to 25mph.

Commissioner Guyon to contact the City of Rochester about speed postings along their sections of these area roads for neighborhood consistency.

Continued discussion about capital improvements to unique intersections and other measures such as stripping. As the 2023 budget is in process some of these items may be reviewed for future funding and implementation.

Chief Catholdi was to share some speed and accident data with the resident and added this location to the special attention details as time and resources allow.

**NETWORKING:**

**Brighton Ambulance** – The following information outlines the activities for Brighton Volunteer Ambulance for June, 2022.

- Brighton Volunteer Ambulance received a total of 631 requests for service throughout the month of June, with a total of 485 being within the Brighton Ambulance District, with 248 Brighton Residents receiving services.
- A total of 171 requests for Mutual Aid were received for surrounding ambulance districts. Of those 171 requests, Brighton Volunteer Ambulance responded to 62 of those requests.
- Code 32 reserve policy was applied 74 times in the month of June. Of those 74 occasions, BVA staff were able to respond to 37 calls within the district that otherwise would have been assigned to mutual aid, showing an efficacy of 50%.
- Total Brighton Volunteer Ambulance requests for service up to July 1st is 4106 ( an increase of 20% from 2021 volume, 12% from this month last year).
- EMS staffing continues to be a challenge on a local and national level.
- Collaborative meetings between the regional agency leaders are ongoing.

### **Henrietta Fire District**

- 3715 calls in the district as of 7/11
- 60 calls in West Brighton in June
- Final inspection on new ladder being completed on 7/12
- 2 new pumpers significantly delayed due to ongoing supply chain issues.
- We have had an increase of significant fires due to mulch fires spreading to structures. One way to curb is to require the use of non-combustible ground cover when in contact with a structure.

### **Town Council**

- Supervisor Moehle reminded the committee of the commitment by the Town of Brighton not to use pesticides and herbicides on Town facilities. He is encouraging that the other emergency response agencies adopt this policy as they maintain their properties in town.
- Councilmember Corrado asked about recent public outdoor events across the nation and if the Town of Brighton has action and planning in case of one of these events happen locally.

Chief Catholdi stated that he is constantly reviewing incident information and applying this towards our Town events, if applicable. He cautioned that there is a balance for security and safety as the public want to enjoy these outdoor events, while being safe at the same time.

Some discussion on training and use of crowd managers / event ushers at these events so we can continue to raise the situational awareness at these public gatherings.
