Every season I enjoy seeing the family fun options in the Recreation Department newsletter. Recreation Director Becky Cotter and her team work to find new and exciting ways for people young and old to enjoy their free time, learn a new skill or subject, or simply get out and play! Winter is no exception, and even though the Rochester weather gets everybody down at some point, the Brighton Recreation Department has the cure for the winter blues right here in this newsletter and Brighton’s parks and trails are open for enjoyment no matter what the weather. Whether you are a toddler, teen, or adult, enjoy a game of cards or pickleball; you can have fun indoors or outdoors, hiking, snowshoeing or cross-country skiing. You can register in person, through the mail or on the Town webpage, www.townofbrighton.org/rec.

The Brighton Memorial Library has the cure for the winter blahs right here in this newsletter and Brighton’s parks and trails are open for enjoyment no matter what the weather. The newest addition to the Town’s trail system is the Highland Crossing Trail. This trail, a joint project of Brighton and the City of Rochester, connects the Erie Canalway Trail with the Genesee Riverway Trail, opened in October and is over three miles long. It starts at the Brighton Town Park on Westfall Rd. and runs north into the City of Rochester, past Empire State College, the Brickstone Senior Living Community, and through Highland Park and the Highland Park neighborhood in the City. Like all Town parks and trails, it will be open all winter. We do not plow our trails, so you will be able to use them not only for hiking but also for cross country skiing and snowshoeing. The Brickyard Trail, Highland Crossing Trail, and the Lehigh Valley Trail will also be open for cyclists, including fat tire snow riding. However, cycling is not permitted in Corbett’s Glen Nature Park at any time. Dogs must be leashed at all times in all Town parks and on all Town trails.

Brighton is a walking community year-round, and in addition to our beautiful trails, many people also walk on our sidewalks during the winter and therefore all property owners are required by law to keep the sidewalks in front of their properties clear of ice and snow. Remember, school children are walking to school while it is still dark in the morning, and they must be able to safely use sidewalks. If you or your neighborhood would like an easier way to meet this obligation to clear your sidewalks for next winter, talk to the Department of Public Works about establishing a sidewalk snow removal district in your neighborhood. It will cost you only a few dollars a year. Our Highway Department crews will also continue to pick up leaves, even after the first snows. As always, please remember to pile leaves on your lawn, NOT in the street!

Winter driving can bring special hazards, so remember that even driving at the speed limit may be too fast for inclement winter conditions. Also remember that pedestrians are still out during the winter, and kids may be especially difficult to see, particularly when snow piles line our streets. Our police are on patrol as well, and receiving a speeding ticket is one winter activity you’ll want to avoid. Also remember that snow plows need extra room to operate…please give them that room, and don’t try to pass or pass them in close quarters.

From Brighton Town Supervisor

William Moehle

The popular Brighton Winter Market will be open at Brookside School again this winter through mid-May, every Sunday except Easter Sunday, from 1-4pm. Meanwhile, construction will continue on the future Winter Market location in Buckland Park. When completed, the new Winter Market will expand and thrive in a former farm building that will celebrate the agrarian heritage of Brighton.

The Brighton Memorial Library continues its active programming for all ages during the winter months. Whether you are a senior or the parent of a tween or toddler or if you’re looking to take a lunchtime break with Books Sandwiched In, enjoy a family movie night out or learn to use an E-Reader, the Brighton Memorial Library has you covered! The Library is generally open 7 days a week during the winter, holidays excluded. For more information about Library programming, visit www.brightonlibrary.org.

Every ten years, the United States conducts its Census. The 2020 Census is important for Brighton because funding programs and Congressional and other governmental representation are all based on population. We want everyone counted so Brighton gets its fair share. Responses to the Census will be confidential, safe from cyber criminals and will not include any questions concerning citizenship or legal status in the US. The 2020 Census will be taken online, by phone, by mail and, as a last resort, in person. Our goal is to ensure that everyone in Brighton responds timely to the Census. Most of us will receive a letter inviting us to participate in the Census in the middle of March 2020. The letter will give information on how to respond online, which is the preferred response, or by phone or mail. People who do not respond by late March will receive further reminders in the mail during April, and as a last resort, those who still have not been counted will receive a personal visit from a Census worker. Please participate and cooperate with the Census. We will be working with Census 2020 here in Brighton and you can be confident that your participation is good for our nation, good for Brighton and good for you!

Enjoy the holiday season and the entire winter with some winter fun, courtesy of the Brighton Parks and Recreation Departments!

The Town of Brighton is responsible for snow and ice control on Town, County and State roads within the Town of Brighton with the exception of the State Expressways. As winter approaches, we want to remind everyone of the necessary rules and regulations that provide for your safety and the safety of the traveling public on main roads and neighborhood streets within the town during the winter snow and ice season. Our Highway Department Dispatchers are on duty 24 hours a day during the winter season and may be reached at 784-5280.

Some important winter policies for you to be aware of are:

- **Highway and Road Salting**
  Our Highway Department follows the “Sensible Salting Guidelines” established by Monroe County, in conjunction with the Environmental Management Council. This policy requires us to use only enough salt to make our highways safe for motorists, but requires you to reduce your driving speed according to conditions.

- **Mailboxes**
  It is the Town’s policy to repair mailboxes that are damaged by Town plows during snow plowing operations or to replace them with a standard rural mailbox and post. Since there is no legal authority which grants an owner the right to place a mailbox along a public road in the right-of-way, our repairs and replacements are done as a courtesy. The one-piece plastic post/box combinations or any type of custom mailboxes will be replaced with our standard post and box. If you have an expensive and/or decorative mailbox and/or post, it may be worth considering the option of storing it for the winter and replacing it with an inexpensive assembly.

- **Winter Parking**
  In order to facilitate snow removal and to eliminate potential hazards, the parking of vehicles on all highways, shoulders, or within three feet of the pavement within the Town, is prohibited between the hours of 2:00 AM and 7:00 AM from November 1st to April 15th. Vehicles in violation of this ordinance are subject to a parking ticket. Repeat violators or vehicles that prevent plowing of a street will be towed and the vehicle's owner will be responsible for all towing and storage charges.

- **Driveway Clearing**
  When clearing your driveway of snow, the snow shall be kept on your own property. Any snow pushed, blown or plowed onto any street is a ticketable offense under both New York State Vehicle and Traffic Law and New York State Penal Law. If your driveway is plowed by a private contractor, both you (as the property owner) and the plow operator may be ticketed. Snow should be pushed to the left side of your driveway (if you are facing your house) so that when Town snowplows go past your house, it will minimize the amount of snow going back into your driveway.
**CABIN FEVER**
Get out of the house and join the Brighton Recreation Department for some winter fun and shopping! We are partnering with the Brighton Farmers’ Market, Brighton Your Wardrobe and Direct Sales vendors to bring you this unique experience. Various vendors will be on hand so you can shop to your heart’s content! Brighton Your Wardrobe will be having a sale and, as always, the Brighton Farmers’ Market will be going on as well! The Recreation Department will also be open so you can register for upcoming Winter/Spring programs! Table spaces available for Direct Sales Vendors for $25. LEARN TO PLAY HOCKEY

The Learn to Play Hockey program is designed for children that are not yet playing hockey at a competitive level, or are brand new to the sport. Successful completion of the Learn to Skate program is highly recommended, as participants should have a good grasp of the fundamental skills of ice-skating in order to thrive in a hockey environment. Participants will gear up in full equipment, some for the first time, taking the ice as a real hockey player. The program focuses on phase one hockey skills - skating technique, early stick handling, and shooting technique. This intro to the game of hockey will allow participants an opportunity to enhance their current ability or build a strong base of skills for the brand new player. It will be our goal to move these new hockey players into organized hockey as soon as those opportunities are available, and to educate the parents on the various avenues of organized house and travel hockey leagues.

Brighton Residents Only! Full equipment is required for this program (helmet with face guard, shoulder pads, elbow pads, shin pads, hockey pants, skates, jersey, socks, gloves and stick). Limited equipment available to borrow, check with Chris Allman, program director at the Iceplex for availability: 424-4625 ext. 20.

TIES

(Together Including Every Student)

Would your child like to join a community activity but needs individualized support? Would your child like an opportunity to share an activity they enjoy or be involved in a community service program? TIES is a program sponsored by the Brighton Central School District that trains student volunteers ages 13-18 to support students ages 8-21 with developmental disabilities in community and extracurricular activities. The volunteer attends the activity chosen by the child and provides the needed support. TIES promotes inclusion, learning and fun for all! Please contact Karen McGraw at Karen_McGraw@bcsd.org, with questions or for an application.

BRIGHTON FARMERS’ MARKET

The local food goodness continues year-round – the indoor Brighton Farmers’ Market is open all winter, from November 25 through May 5. Each Sunday afternoon farmers and producers will bring a large assortment of delicious foods to the community, including all-local fruits, vegetables, herbs, meats, eggs, baked goods, pastas, jams, maple products, sweets, and more. Our farmers have expanded their operations to be able to grow and store crops far beyond the traditional growing season in our area, and the selection grows every year. There is live music each week, and Color Brighton Green collects hard-to-recycle items. SNAP customers are welcome. The Market is held Sunday afternoons 1-4 pm in the Brookside Center gym, 220 Idlewood Rd; easy access is from S. Winton between Westfall and 590.
I want to take this opportunity to thank Supervisor Moehle and the entire Town Board who have given me the opportunity to serve as Brighton’s 7th Chief of Police. Their commitment to this agency has been unwavering and I look forward to continuing that tradition. The outpouring of support I received from the community has been overwhelming.

I promise to continue with a strong philosophy of community-oriented policing, because it is only through the partnership with the community that we serve that we create a safer community in which we can thrive.

I want to thank outgoing Chief Mark Henderson for his leadership over the past decade as the Chief of Police and for his service to the community for over 30 years. Mark implemented many new programs for our department that will continue to serve this Town well for years to come.

Have a concern or question? Please do not hesitate to call me directly at (585) 784-5101 or by e-mail at david.catholdi@townofbrighton.org.
