

Brighton Police Department

Citizens' Police Academy

This eight week program is designed to acquaint Brighton residents with the Brighton Police Department's responsibilities and legal issues as the agency enforces laws within the criminal justice system. Presentations on topics include the tools of a police officer, crime scene processing, Police K-9, the court system and a tour of the Brighton Police Department facility.

There are also field trips to the 911 Center, the Monroe County Police Academy and the Monroe County Jail.

Because each session creates a basis for the following presentations, we ask that applicants plan to attend all of the sessions.
