### **Brighton Town Board Meeting Moves to Digital Platform**

The Brighton Town Board Meeting of Wednesday, March 25, 2020 will be conducted remotely. Councilmembers and staff will use video conferencing to conduct the meeting and will be sheltering at home as a measure of social distancing because of the COVID 19 public health crisis. The public can participate in the open forum portion of the meeting by calling 303-3060, and the public will be able to view the entire meeting live beginning at 7 PM on cable channel 1303 and on YouTube from the Town's website at [townofbrighton.org](http://townofbrighton.org).

The meeting agenda is available to read on the Town's website at [townofbrighton.org](http://townofbrighton.org), and all supporting materials will be posted to the website as soon as is practicable.

Please know that the Town's employees continue to work hard to deliver essential services for Brighton residents and businesses despite the limitations that are necessary in the interest of public health.
