Brighton Delays Summer Recreation Registration

The Town of Brighton is delaying the start of Summer Program registration, including Playground Camp registration, due to the COVID-19 pandemic and current state of emergency. Registration won't be available until the Town can safely meet the needs of residents and comply with all State and County requirements, while keeping our staff as safe as possible.

We hope to announce new registration start dates as soon as practicable. Residents may also choose to monitor this evolving situation through the Town's website at www.townofbrighton.org and the Recreation Department's Facebook page at <https://www.facebook.com/BrightonRecreation>.

The Town understands that recreation is an important and necessary part of everyone's life, but the safety of our participants, community and staff are of the utmost importance to us. Although the Recreation Office is now closed to the public and operating remotely, residents can contact the Department with any questions or concerns by phone at 585-784-5260 ext. 0 or email at brighton.recreation@townofbrighton.org. Staff will follow up by the next business day.

Please know that the Town's employees continue to work hard to deliver essential services for Brighton residents and businesses despite the limitations that are necessary in the interest of public health.
