

TOWN OF BRIGHTON RECREATION DEPARTMENT CORONAVIRUS PROGRAM UPDATE August 31, 2020

Fall Registration is Coming!

We are excited to be working on our fall programs and the start of Fall Registration. Due to COVID 19 we have some important updates about our Fall programs, and how we are proceeding this Fall:

New this year, all of our program offerings will be featured [ONLINE!!](#)

- We are not printing and mailing our traditional fall brochure due to a number of variables, but we have some great in person and online programs in the works!
- **Resident Registration for Fall begins on Tuesday, September 1st, and Non Resident Registration begins on Tuesday, September 8th.**
- Being virtual allows us the needed flexibility to make adjustments, add to, and customize our programs on a rolling basis!
- Please check our website often as we continue to add programs on an ongoing basis throughout the fall!
- New programs will be communicated via social media and email. Please help us share and get the word out when something interests you.
- All in person program offerings will follow strict health and safety protocols.
