

Recreation Department

Recreation Director – Rebecca Cotter

Dear Parent/Guardian of Summer Camp Participant:

The Town of Brighton Recreation Department would like to take a moment to welcome you to the Summer Playground Camp Season!

As preparations are underway for this summer, we have enclosed the pertinent forms required to be on file **BEFORE** your child attends their first day of camp with us.

Please know we continue to take the COVID 19 pandemic seriously, and are hard at work building a Summer Camp Program for your family that meets all Local and State Guidelines. As such, there are many safeguards that are being implemented to ensure the safety of our participants and staff. Here is some of what you can expect with participation in a Brighton Recreation Summer Camp Program:

- Daily COVID health checks of campers and staff will be completed before entering camp
- Campers and staff **MUST** stay home if they are sick
- Mask mandates will be strictly followed as outlined by the Health Department for staff and campers
- Physical distancing will be encouraged as much as possible
- Emphasis will be placed on outdoor programming
- Sharing of supplies will be kept to a minimum
- Increased cleaning and disinfecting protocols are in place
- Enrollment will be limited, group sizes determined by local and state mandates
- Registration is for two week sessions (no week to week registration)
- Parent Drop Off and Pick Up will be done outside or just inside the building to limit contacts inside the camp setting
- Spaces will be filled on a first come, first serve basis

All Summer Camp guidelines and operations are subject to change based on the information provided by the Monroe County Health Department and NYS.

As always, The Recreation Departments Playground Camps will be regulated by the Monroe County Health Department. Doing this will ensure that your child is attending one of the safest programs available. With this regulation and subsequent permit, we **must** have immunization records on file for all campers enrolled in our Playground Camps. Please contact your child's pediatrician's office to request a copy of their immunization record. Please understand that all medical information and immunization records are kept strictly confidential within the Recreation Department.

Please feel free to contact us with any questions or concerns that you may have as we approach the Summer Camp Season. You may reach the Recreation Office at 585-784-5260 ext: 0. Immunization records may also be faxed to 585-784-5365 with the child's name clearly stated on the form.

Please mail completed forms to:

Brighton Recreation Department
220 Idlewood Rd.
Rochester, NY 14618

We are very excited to have your child(ren) join us for another great Summer Camp Season at Brighton Recreation!

Sincerely,

Rebecca J. Cotter
Recreation Director
