Clean Agent Fire Extinguishing System Plan Review and Permit Requirements**

By signing below, I hereby apply for a Fire Protection System Installation permit and certify that I have read and understand the information package for the installation requirements pertinent to this permit and agree to abide by them. This application for a Fire Code Operational Permit will be in accordance with all ordinances of the Town of Brighton and the Fire and Building Code of New York State and that any plans or specifications submitted with this application are the plans or specifications relating to this permit.

I further understand this is not a permit but only an application for permit and construction work is not to start without a permit; that the work will be in accordance with the approved plans.
